

A Busy Protein

Romans 5:8-9

"But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us. Much more then, being now justified by his blood, we shall be saved from wrath through him."

Blood is made up of many components. Red blood cells carry oxygen to all parts of the body. And even though hemoglobin is based on iron, the healthy body, protected by rust inhibitors, doesn't rust. White cells and other blood components fight infection. It's difficult to decide which of the components of blood are more amazing in their design.

But if awards were given to the various components of blood for the amazing ways in which they work, serum albumin would certainly be in the running. Like one of those gadgets advertised on cable television, serum albumin seems to do more things in the bloodstream than seems possible.

Serum albumin, which is made by the liver, regulates the volume of your blood, helping to keep your blood pressure healthy. It also controls your blood chemistry so that all the components are there in the right concentration. It stores molecules and moves them to where they are needed when they are needed. When you take an aspirin or a drug, serum albumin sees to it that the medicine gets to where it is needed. Serum albumin also prevents an enzyme which digests proteins in your digestive tract from digesting the proteins in the rest of your body.

Indeed, as the Bible says, much of our physical life happens in our blood. But eternal life is only found in the blood of Jesus Christ, shed on the cross in our place – His death in our place – for the forgiveness of our sins before our Creator.

Yesterday's Kids

If you are 50 or older, you are invited to join Yesterday's Kids for a potluck lunch at 11:30am on March 8 in the FLC. We are collecting small items for the residents of the New Haven Care Center and would appreciate any donations. Items can be dropped off at the church office. Suggestions are: candy, note cards, pens, markers, crayons, adult coloring books, word search, puzzle books, comb, brush, lip balm, lotion.

MBC Loves New Haven Service Projects

Come serve our community with us. We will do community cleanup at schools, trash pickup, and other things on March 12 at 9:00am. Let's show that MBC loves the community.

March to the Arch

If you are interested in attending March to the Arch to protect the sanctity of life on Saturday, March 19, there is a sign-up sheet at the welcome center. We will be taking the van.

Discover MBC

Our next membership class is March 20 at 12:00pm in the Family Life Center. Lunch will be provided for all who sign up. There is a sign-up sheet on the welcome center.
