Dear Parents,

The time has come for Light Academy to do its part in abiding by the Missouri stay at home order and close our doors from April 14<sup>th</sup> through the time public schools go back into session. This is in effort to keep our families and staff safe. If by chance the schools do not go back into session, unfortunately this will mean our school will also not be in session. If you have any questions or concerns, please feel free to reach out and ask. My number is 636-234-7456. I will continue to pray for your families to stay healthy and safe throughout this uncertain time.

Sincerely,

Ms. Sammy
